

IIT Initial Submission Form

Process for submission:

1. Save this document to your computer and Name it: "IIT Last Name" and the date.
(example: IIT JONES 8.22.2022)
2. Enter your initial contact information as requested and a short paragraph of your research study concept.
3. Send the completed form to IITS@leadiant.com
4. A medical science liaison will contact you to confirm receipt of your submission and to discuss in further detail.
5. Following that discussion, the general concept will be reviewed by the Medical Affairs Department to determine if there is a need for further information and suitability for formal submission.
6. If, after the initial evaluation of the concept and subsequent materials, a full concept submission is deemed appropriate, you will be requested to send the submission as per instructions.
7. Efforts will be made to respond to you in as timely a manner as possible.
